## Areaware

When he's not crafting objects, product designer Harry Allen is a serious practitioner of yoga. His Om incense holder is a polyester-resin cast of his own hand, held in a meditative mudra. It measures 4 by 4 by 9 inches and is white. 95 Spring Street, 2nd Floor, New York, NY 10012; 800-783-5683; areaware.com. circle 689
